Recommendations
This course takes us on a journey looking at the ever-changing nature of our communities and explores why the church must rethink its approach to mission in meaningful and relevant ways.

Our world and our lives have changed radically in the last 20 years but has the church adapted to this change? This course focuses on the big questions as to whether we need a changed church for a changing world. Are new forms of church possible and what would they look like?

The Anglican Diocese of St. Mark the Evangelist invites you to explore with us as we look into doing mission in a new way.
