## Introducing our Environmental Intern

Robert Stuart-Thompson

The Anglican Church of Southern Africa has provided for environmental internships in each diocese. In the diocese of St. Mark the Evangelist we have appointed **Robert Stuart-Thompson** to this position for the remainder of 2016. Robert has a degree in Environmental Sciences, Geography, and Anthropology and did his Honours in Anthropology. He also holds a diploma in Business Management.

We would therefore encourage you to work with and support Robert in his efforts to implement a sustainable environmental stewardship campaign in the diocese. I have already arranged for Robert to speak at the Bishop's Youth Day on 16<sup>th</sup> June (we have invited 6 Youth Leaders to attend from each parish). Robert can be contacted on email ([robbyst@lantic.net](mailto:robbyst@lantic.net)) or cell phone (082 093 4997). There is also a Facebook page: [www.facebook.com/Green-Anglican-Environmental-Initiative-Limpopo-1739658046290051/](https://www.facebook.com/Green-Anglican-Environmental-Initiative-Limpopo-1739658046290051/)

Thank you!

Yours in Christ,
