

HEARTLINES PRESENTS

A campaign on Value\$ & Mon€y

Corruption. Greed. Over indebtedness. Recession. Poverty.
Bad stewardship. Rampant materialism.

Our nation needs an intervention on values and money. In 2013 Heartlines presents a film and national campaign that encourages South Africans to examine our behaviours and attitudes to money. Ideally, the Church needs to be at the centre of this national initiative.

3 WAYS TO BE INVOLVED

1. National Savings Month, July 2013

We encourage church leaders to preach a sermon(s) on saving or spending – we can provide sermon outlines.

2. Watch the new Heartlines film

Get your church or cell group to watch the film *Nothing for Mahala* - in cinemas from September 2013.

3. Join the conversation

In October 2013 the film *Nothing for Mahala* will be shown on national TV followed by other radio & TV talk shows.

Run a Bible study series and preach sermons on Values & Money using new Heartlines resources.

BACK ON TV!

The original 8 Heartlines Values films will be rebroadcast every Wednesday on SABC3 at 21h30 from 2 January 2013. *Hopeville* will be shown on Saturday 2 March.
